=====

EDUCATING THE PUBLIC ON THE UNITED NATIONS

PART III, STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS

The Better World Fund was created in 1998 by entrepreneur and philanthropist Ted Turner. The Better World Fund, and its sister organization, builds and implements public-private partnerships to address the world's most pressing problems and works to broaden support for the UN through advocacy and public outreach.

The Better World Fund coordinates several domestic advocacy and partnership efforts. Through our campaigns and partnerships, we seek to make it easy for corporations, nongovernmental organizations and individuals to engage in the work of the United Nations.

The Better World Campaign, an initiative of the Better World Fund, works to strengthen the relationship between the United States and the United Nations through outreach, communications, and advocacy. We encourage U.S. leadership to enhance the UN's ability to carry out its invaluable international work on behalf of peace, progress, freedom, and justice. In these efforts, we engage policy makers, the media, and the American public to increase awareness of and support for the United Nations."

The following describes specific program areas in which Better World Fund operates.

Children's Health

The Better World Fund's Children's Health Program assists the UN Foundation and United Nations in their efforts to ensure that all children have the means and the opportunity to develop to their full potential. Our major priorities are decreasing childhood mortality through community-based programs and utilizing public-private partnerships to strengthen the public health infrastructure to control infectious diseases such as polio, measles and malaria.

Women and Population

The Better World Fund's Women and Population Program works with the UN Foundation and UN system and civil society to support achievement of "universal access to reproductive health services and supplies by 2015" – the central goal established at the UN International Conference on Population and Development (ICPD), adopted in 1994.

Climate Change, Energy & Sustainable Development

The Better World Fund's Climate and Energy Program works to lead the world's transition toward a climate-friendly energy economy. It serves as a nonpartisan forum, and convenes coalitions of leading thinkers and actors to seize opportunities and address challenges posed by this transformation.

PART III, STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS

Peace, Security and Human Rights

The Better World Fund 's Peace, Security and Human Rights program promotes preventive engagement in three areas—security, well-being and justice.

Advocacy

From the outset, the Better World Fund's sister organization, the United Nations Foundation, has worked to educate the public about the role and value of the United Nations in an interdependent world. In these efforts, we endeavor to encourage a cooperative relationship between the UN and the U.S. government. These efforts promote payment of U.S. dues to the UN on time, in full and without conditions.

Other

The Better World Fund, Inc. builds and implements public-private partnerships to address the world's most pressing problems, and also works to broaden support for the United Nations through advocacy and public outreach. The Better World Fund also provides operational grants for UN-related programs and initiatives.
